music by Arnold Harris

*A Song for the Christmas Season*

## *Away In A Manger*

*The lyrics of the beloved carol, “Away In A Manger” were originally thought to have been written by Martin Luther, but scholars now assert that its origin is from 19<sup>th</sup> century America.*

*Arnold Harris has written a new and sweet melody, reflecting the “cradle song” lyrics. The middle section, with its staggered entrances mirrors the many voices of those viewing the baby Jesus in the manger.*
